Work History

□ Nov 2022 to Jun 2023

❖ **Company Name: Shubhkey Infotech LLP**

❖ **Position: Front-End Developer As intern**

- We are seeking a talent and experienced Front-End Developer to join our team. As a Front-End Developer, you will be responsible for developing and implementing user interfaces for our web application using the latest front-end technologies and best practices. You will collaborate with the design team and back-end developers to ensure seamless integration and exceptional user experience.
- Develop responsive and user-friendly web interfaces using HTML, CSS, and JavaScript.
- Implement and customize front-end frameworks such as vue.js to create dynamic and interactive web applications.

- Utilize libraries like jQuery and Bootstrap to enhance the functionality and aesthetics of web pages.
- Collaborate with the design team to translate UI/UX wireframes and mockups into pixel-perfect web interfaces.
- Optimize web applications for maximum speed and scalability, ensuring cross-browser compatibility and mobile responsiveness.
- Integrate RESTful APIs and third-party services to enhance application functionality.
- Conduct code reviews and perform thorough testing to ensure high-quality and bug-free frontend implementations.
- Stay up-to-date with the latest front-end development trends, frameworks, and libraries, and share knowledge with the team.
- Work closely with back-end developers to ensure seamless integration and smooth data flow between the front-end and back-end systems.
- Troubleshoot and debug front-end issues, providing timely resolutions.
